Wally,

Bill updated some of the old language I took from the ROD. Attached are his suggested changes. I agree with his suggested language changes and will incorporate into the ESD, if that's okay with you. Shari

Good afternoon Shari.

Please find attached comments & suggested changes to the Draft ESD from the KLA Group (done in track-changes), which are relatively minor as it was well written. Some of my comments/suggestions were related to old wording that appeared to be taken from the original ROD.

Thank you! - for the opportunity to provide comments. Please don't hesitate to call if you have any questions.

Also, please let me know when you plan to issue the Public Notice – so that I can give the local municipalities a heads-up.

Thanks and kind regards,  
Bill
